Remarks

This charming one bed, one bath beach condo at the popular Palm Bay Club offers the perfect blend of comfort, style and coastal living. Perched on the gulf side of Midnight Pass Road, the Gulf of Mexico is just steps from your front door. With this prime location you'll enjoy easy, private access to the powdered sugar sand of Siesta Key's Crescent Beach, one of the gulf coast's premier vacation destinations! The interior of the condo is thoughtfully designed and tastefully decorated to maximize space and function. The vinyl plank floors throughout are not only handsome but also afford a low maintenance foundation for the coastal décor. The kitchen offers bright white cabinets with bold black granite counters and attractive stainless appliances. The open concept living and dining room is nicely furnished and a welcoming space to recharge between sunny Siesta adventures. The lanai, which has been integrated into the living room, is enclosed with three glass sliders that permit abundant sunlight and can be opened for a refreshing saltwater breeze. The bedroom is a peaceful retreat with two beds for maximizing the guest allowance. An updated bath is not only attractive, but a pleasing space to refresh. A true beach to hav community, the Palm Bay Club delivers the ultimate Siesta Key
